PROFESSIONAL SUMMARY

Java Full Stack Developer with experience in building scalable web applications using **Java, Spring Boot, Spring MVC, REST APIs, React.js, and MySQL**. Skilled in integrating **AI-powered features using Spring AI and OpenAI APIs**. Experienced in developing intelligent systems such as **Crop Prediction using Machine Learning and Farmer Weather Applications using real-time Weather APIs**. Strong knowledge of **backend development, API integration, and database management** with a focus on performance and scalable solutions.

TECHNICAL SKILLS

Programming Languages:

C, C++, Java, Python(basic).

Front-End Technologies:

HTML5, CSS3, JavaScript, React Js.

Back-End Technologies:

Java, Node.js., Spring, Spring Boot, Spring MVC, Spring JPA, Rest APIs, Hibernate, Spring Security.

AI/ML Tools:

Spring AI, OpenAI API, AI Chatbot Development, Basic Machine Learning

Architecture & Development Practices:

Microservices, JUnit Testing, Agile / Scrum.

Cloud & DevOps:

Docker, AWS Cloud.

Databases:

MySQL, MongoDB, Oracle

Tools & Platforms:

Git, GitHub, Maven, Postman, Eclipse, IntelliJ IDEA/ VS-Code.

PROJECTS

Crop Prediction (Crop census)

- Developed an **AI-based crop prediction system** using machine learning algorithms.
- Analysed agricultural datasets including **soil nutrients, temperature, humidity, and rainfall**.
- Achieved **85% crop prediction accuracy**
- Built a predictive model to recommend **optimal crops for farmers**.
- Improved farming decision-making using **data-driven recommendations**.

Farmer Weather App

- Developed a **real-time weather forecasting application** for farmers.
- Integrated **Weather APIs** to fetch temperature, humidity, rainfall, and wind speed data.
- Built backend services using **Java Spring Boot and REST APIs**.
- Designed a **responsive frontend interface using HTML, CSS, and JavaScript**.

Technologies Used: Java, Spring Boot, REST API, HTML, CSS, JavaScript, and MySQL.

KEY SKILLS

- **Java Full Stack Development**
- **REST API Development**
- **Spring Boot Application Development**
- **AI Integration using Spring AI**
- **Machine Learning Fundamentals**
- **Database Management**
- **Git Version Control**

EDUCATION

Bachelor of Computer Applications (BCA)

Degree College of Physical Education, HVPM, Amravati

2021 – 2024

Master of Computer Applications (MCA)

Ranibai Agnihotri Institute of Computer Science and Information Technology, Wardha

2024 – 2026

CERTIFICATIONS

- Java Full Stack Developer Certification – Course Topics: Java, Spring Boot, Hibernate, REST API, React
- Artificial Intelligence / Machine Learning Certification
- Web Development Certification

STRENGTHS

- Problem-Solver
- Quick-Learner
- Team Collaboration
- Ability to learn new Technologies
